PERSONAL AND LOCAL.

—The Lobbell Cycling Club will make a run to Beverly Sunday. The route will be via Watertown to Beverly and return. Dinner at Watertown. All wheelmen are invited to join the Lobbells in this run. Leave club house at 7:30 a. m.

—Captain Ira Huntingdon, of the Ruth, said Tuesday that the new \$35,000 packet, Kanawha, will replace the Ruth in the trade two weeks from Tuesday. Captain George Bay, of Bay Bros., the owners, was in the city purchasing equipments. The Kanawha, which is now receiving the finishing touches at Marietta, is one of the most complete packets which will traverse the river. She is 185 feet long, 36 feet beam, and will draw barely 20 inches. Her engines are compound, 15-inch cylinder and six-foot stroke. Her passenger equipments are most sumptuous and the 36 state-rooms are fitted up as the larger lower river packets. Electricity will furnish the light throughout. Captain Huntingdon will command. The Ruth goes into some down-river excursion trade.—Pittsburg Post.

—It required just seven flat cars to bring the remains of the Torch Hill wreck to this city, which was done last night, and everything that was left, excepting the two boilers, was brought in. The pieces of the engines presented a most horrible appearance, and will probably never be used again, but will be thrown on the scrap pile. The boilers will probably be used again.—Chillicothe News.

—The sawmill steamer C. H. Woods has been raised, but no hole was found in the hull. The most plausible theory of the sinking is that the boat grounded on the bank and tipped as the water fell, allowing the hull to fill through the seams above the water line.

—Colonel T. W. Moore left Thursday of this week for Columbus, where he will consult Doctor Hamilton in regard to the trouble with the knee joint with which the Colonel is suffering, and from which he does not recover as rapidly as he and his friends wish he might.

MICHIGAN SAYS SO.

Grand Rapids' Endorsement of the Little Conqueror.

From the Grand Rapids Press.

Mr. J. H. White, of No. 25 Halfway Place, Grand Rapids, has been an instructor in penmanship in different business colleges for the past 14 years. For a long time he was on the staff of the Lonia Business College, but left there to take an interest in the Columbia Business College of this city. A severe illness coming on compelled him to dispose of his interest in that institution, and at present he is connected with the Michigan Mutual Insurance Company. "It is hard to describe what Mr. White has gone through, but he attempted to do so to our readers' edification. This is what he said: "One the second day of October I was suddenly taken ill with severe pains right under the short ribs. I consulted a physician and the medicine he gave me relieved the pain. I had to go to Lonia on business and the jolting around in the street car must have been the cause of the return of the trouble. However, when I got there I had to go to a doctor, but he was unable to help me very much. On returning home I gradually grew worse. The pain was in my back and side. My back swelled up in a great ridge, and I finally grew so bad that I was taken to bed as helpless as a child, where I remained for two weeks. My doctor said the pain was from 'gravel' stones. I frequently passed blood, and when the pain was at its worst I was like one crazy. I could not stay in any one position. It was simply awful. The doctor injected morphine to give me relief, but further than that he said he was powerless to do anything and nothing would do me any good but a surgical operation. I believe my flesh was literally cooked in the attempt to relieve my agony. Everything was used—mustard plasters, turpentine, hot cloths and such things. I was in this condition given up by the doctor and almost out of my mind with suffering, when my wife happened to read of Doan's Kidney Pills, and we decided to try them. I commenced at once, taking three at a dose, and really I felt easier in twenty minutes. After about two hours I had a passage of urine and passed blood and some 'gravel' stones, which greatly relieved me and enabled me to rest quietly. I continued using the pills and rapidly improved, so that I was soon able to get up and around again. I took in all six boxes and I feel to-day entirely well. Mine has been a wonderful case; my condition was almost indescribable. I feel that I cannot say anything strong enough for Doan's Kidney Pills. My great wish is that they may become well known, so I know they will prove a boon to mankind."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
